EL PASO, TEXAS: Special Traffic Investigators responded to US 54 mile marker 32 to assist with the investigation of a single vehicle collision. The 28-year old driver of a 2005 Scion lost control of the car causing it to crash and roll. The car rolled several times ejecting the unrestrained driver, who sustained life threatening injuries, and the car came to rest at Gateway North and Golden Sands. Both the driver and passenger were transported to University Medical Center. The passenger who was seat belted sustained minor injuries.
